

USB STICKS

FREECOM

INNOVATIVE GERMAN QUALITY

DATA BAR

ACCESS YOUR FILES ANYTIME. ANYWHERE!

The Freecom DataBar is the ultimate cost effective mobile storage solution for people on the go. Fitted in a fresh design, the DataBar offers more than enough space for your files. Now even smaller and stronger than before!

- High quality flash memory
- Stylish design, glossy black enclosure
- Ideal for quickly storing and sharing documents, photos, music
- Available in capacities from 2GB up to 64GB

DATA BAR SECURE

HIT THE STREETS, FEEL SAFE!

Store your files safely on the Freecom DataBar Secure. Secured with your personal password, not accessible by anyone else but you! The DataBar Secure always asks for a password before it reveals its treasures.

- Your files are protected by advanced 256bit AES encryption technology
- Unique "Don't forget me" reminder when you log off or shut down your computer
- Ideal for business use: store confidential files, spreadsheets and presentations
- Available in capacities from 8GB up to 64GB

DATA BAR XXS

EXTRA SMALL & EXTRA SAFE!

The new DataBar XXS provides a safe way to store your data. Extra extra small and ultra light, you can easily take it with you, even attach it to your keychain. Water- and dustproof, this is the USB stick that protects your important files!

- eXtra eXtra Small - always have your files with you
- Water- and dustproof - your files are protected in any circumstance
- Attach your important documents to your car keys with the complimentary keyring
- Available in capacities from 2GB up to 32GB
